**PHOTOSHOOT
IN
AMALFI COAST**

The Amalfi Coast, with its breathtaking views, colourful villages and romantic atmosphere, is one of the most popular locations for photo shoots. Whether you are a model looking for the perfect shot or a couple wanting to immortalise their love, this destination offers unique settings for every need.

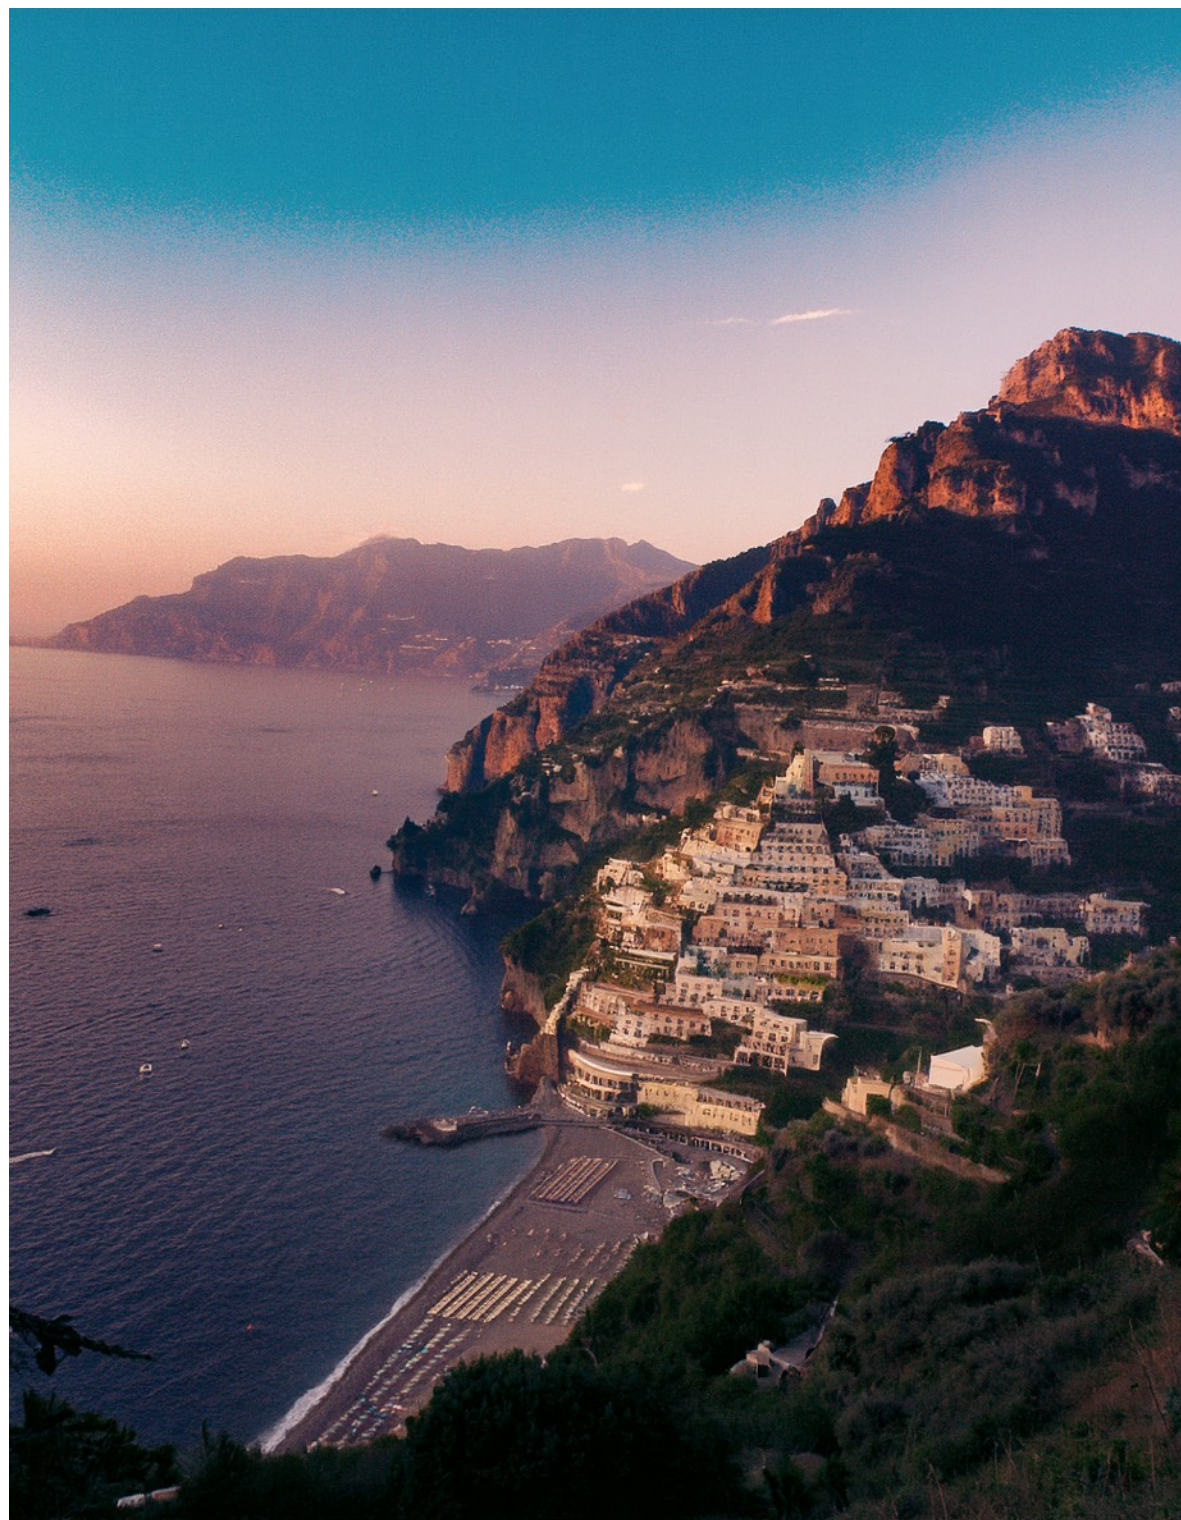

Why choose the Amalfi Coast for your shoot?

With its terraces overlooking the sea, hidden beaches and flower-filled alleys, the Amalfi Coast is an open-air gallery. Its chromatic contrasts - between the blue of the sea, the white of the buildings and the green of the vegetation - create a perfect backdrop for photos with a refined aesthetic.

Exceptional natural light: The Mediterranean sun provides soft, golden lighting, ideal for portraits and fashion photos.

Variety of settings: From the beaches of Positano to the gardens of Ravello, each corner offers a different style.

Iconic style: Amalfi's locations are synonymous with elegance and charm, perfect for glamorous shoots or romantic couples sessions.

For models and fashion photographers, the Amalfi Coast is a creative training ground.

Positano: Its panoramic staircases and luxury boutiques are ideal for fashion shoots.

Amalfi: With its majestic Duomo and historical architecture, it is perfect for a mix of tradition and modernity.

Atrani: An authentic and less touristy village, perfect for more intimate and artistic shots.

Tips for models:

Choose flowing dresses and bright colours to contrast with the pastel tones of the buildings.

Boat Shooting: Elegance on the Sea

Imagine posing on a traditional gozzo or a luxurious yacht, with the sun caressing the water and the cliffs providing the backdrop. Boat shoots are perfect for those who want a mix of sophistication and nature.

Unmissable locations:

Sailing between Positano, Amalfi and Conca dei Marini

At sunset for a golden glow

Private beaches for intimate shots

Tips:

Flowing dresses and elegant costumes

Wide-brimmed hats and vintage sunglasses

Dynamic poses such as lying on the bow

A woman with dark hair pulled back, wearing a bright yellow halter-neck dress with a deep V-neckline and a tied waist, stands on a cliff. She is looking slightly upwards and to the side. The background features a steep, rocky cliff with a small town built into it, and the ocean below under a blue sky with scattered clouds.
