Luxury wedding in

POSITANO

Taylor and Sam

Positano is one of the most charming and romantic places on the Amalfi Coast, perfect for those who want a dream wedding.

With its picturesque alleys, colourful houses climbing the hillside and crystal clear sea, Positano offers a magical atmosphere to celebrate the best day of your life.

Accessories, such as earrings and necklaces, are essential details to complete the bride's look on her wedding day. They not only add elegance and sophistication, but also help express the bride's unique personality and style.

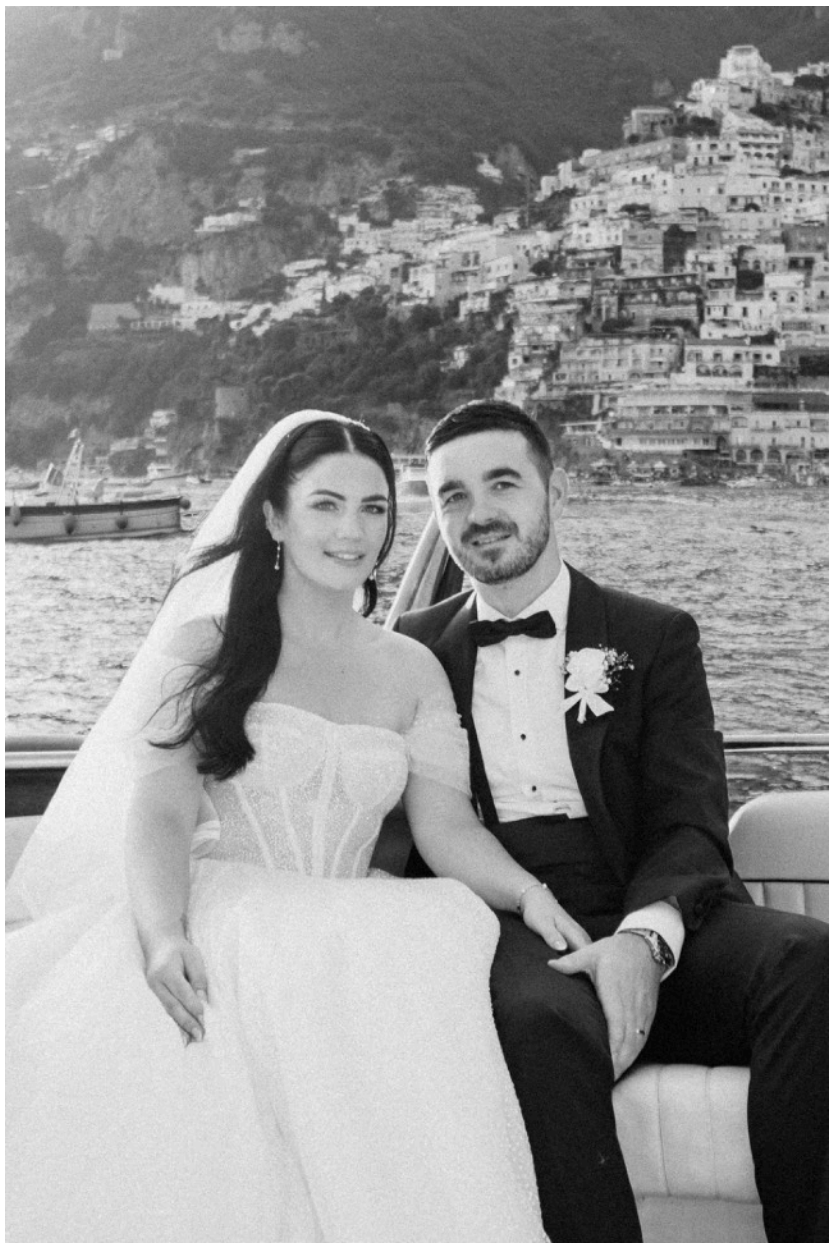

The choice

of earrings and necklace should be made according to the style of the wedding dress. A gown with a sweetheart neckline, for example, goes perfectly with a delicate pendant necklace, while a dress with a V-neck may require a bolder, more showy necklace.

After the ceremony,

Taylor and Sam *decided to make their day even more special with a romantic boat ride along the Amalfi Coast. Sailing on those crystal-clear waters was like stepping into a living painting: majestic cliffs plunging into the sea, hidden grottos and small villages popping up like gems along the coast, illuminated by the golden sunlight.*

With the wind in their hair and the sea cradling them, the couple toasted with a glass of champagne just as the sun descended to the horizon, tinging the sky and the sea with warm, golden hues. A perfect moment, full of magic and beauty, which they cherished in their hearts.

Make Your Every Detail Unique

Every couple

is different and customised wedding rings can reflect this uniqueness. Whether it is a classic design or a bolder, more contemporary one, wedding rings can be made of various materials, such as yellow, white, rose or platinum gold. Some choose to combine different metals for an original look. The shape, width and type of finish can be adapted to suit individual tastes, making each ring a unique **work of art.**
